

JUSTIN FOSTER PTH LOGGER TRAINING SCHOLARSHIP

In memory of their son, Justin Eli Foster, his family has established a logger training scholarship in Justin's name. This scholarship is available annually and provides \$500 to a logger 29 years old or younger. The scholarship is to be used to cover the PTH training fee and expenses to attend the training.

Justin unexpectedly passed away on July 5, 2013. He was the son of MFPA member Jay & Patty Foster of Foster Brothers Wood Products in Auxvasse, MO and Missouri Fibre Corp. in Scott City, MO. The wood products business and logging was always near and dear to Justin, so the family wanted to establish this in his honor.
