SUMMER MEETING FUNDRAISING

FUNDRAISER EVENTS

Live Auction. The Saturday evening Member Dinner includes two live auctions benefiting the MFP Political Action Committee and Log A Load for Kids. MFP PAC was established to compliment the association's legislative programs. The purpose is to financially support candidates and causes that are beneficial to industry interests. The auction held at the summer meeting is a big fund raiser for the committee.

Log A Load for Kids is MFPA's charity where loggers and wood products businesses donate the value of a load of logs, or any amount, to a nearby Children's Miracle Network affiliated hospital to be used in treating ill and injured children. MFPA holds fundraising events to supplement donations to the hospitals. We will auction off items at the Summer Meeting whose proceeds will benefit Log A Load for Kids. Look for items to be advertised! Paintings created by the children at University of Missouri Children's Hospital will be at the auction again this year!

Silent Auction. We would like to invite you to donate an item that values for \$100 or more to be auctioned off to members at the Saturday evening MFPA Membership Meeting at the 2024 Summer Meeting. The proceeds raised during the raffles can be contributed to the Missouri Forest Products Political Action Committee, to Log A Load for Kids, or split evenly between the two charities - you decide. Items will be clearly labeled with a sign indicating its donor and donors will be announced during the auction. Contact Laura, Melissa, or Mark with the item you would like to donate. Call 573-634-3252 or email laura@moforest.org, melissa@moforest.org, mark@moforest.org.

We look forward to seeing the items our members contribute to the fundraiser this year!
