January 14 & 15  
Courtyard by Marriott  
Jefferson City, MO

The Collective Voice  
For Missouri's Forest Products Industry

**“Please join us in Jefferson City for our Winter Membership Meeting & Legislative Breakfast.**

**This is an excellent opportunity for you to talk with other association members as well as meet informally with our legislators to gather their support on issues important to our industry.**

**See you there!”**

**Mike Naeger, President  
Missouri Forest Products Association**

**The MFPA Winter Meeting is an important event for the forest products industry and for MFPA members to attend for a variety of reasons. The Winter Meeting is an excellent opportunity for you to talk with fellow MFPA members in the industry as well as develop business partnerships with associate members who offer products and services supporting industry businesses. MFPA committees will hold meetings including Forest Health, Governmental & Public Affairs, PAC, Education and Technical Services, and Missouri Logging Council. Even if you are not a committee member, you are welcome to attend meetings to learn about issues facing the industry and provide input regarding such issues. By attending these meetings, you will hear of the efforts of these committees and MFPA to determine the impact on the industry and how they are combating these issues. Tuesday evening, January 14<sup>th</sup>, we will conclude the day with our annual membership meeting and dinner. Lt. Governor Kehoe, who will hopefully be Governor Kehoe at the time of the meeting, has been invited to attend the Tuesday evening dinner. We will also be updating the membership on new MFPA initiatives and we will feature new promotional strategies that will be launched in 2025.**

**On January 15<sup>th</sup> the Missouri Forest Products Political Action Committee will host the annual Legislative Breakfast. MFPA Members’ presence at the Legislative Breakfast is another important reason to attend the Winter Meeting. Missouri State Legislators are invited to meet the leadership and members of the Missouri Forest Products Association over breakfast. This is an opportunity for MFPA members to talk with our elected officials and reinforce the importance of the forest products industry to the state of Missouri and gather support on issues important to our industry. Please plan to attend the MFPA Winter Meeting and Legislative Breakfast to help us promote the importance of our legislative agenda for 2025 by having a presence and a voice in the capitol.**
