

WHAT'S IN IT FOR ME? OR WHAT CAN WE DO TOGETHER?

The 2024 Summer Meeting will have a combination of benefits for MFPA members, we will present information important to individual companies along with how we can work together to accomplish an industry wide mission. We have issues facing our industry like never before, so MFPA's job is to identify them and help develop strategies to help. Our biggest opportunity to accomplish this mission is at the Summer Meeting, so I really hope that you will attend and learn about what we are doing on behalf of the industry and collectively think about our future.

The promotion work that MFPA launched about 9 months ago will be on full display at the meeting. Our promotional efforts have reached millions of Missourians and many more beyond our borders. Our partners in promotion will be presenting the results of their work and I believe you will be quite impressed. The education that we have launched regarding the importance of forest management, the real facts on wood products versus fake alternatives, and the atmospheric carbon benefits of using real wood has provided a unique opportunity to move our industry forward. Are we prepared to do that together? It will take your participation or it will fail, no doubt about it.

Every year I try and challenge the membership to attend the Summer Meeting, with moderate success. The last couple years have been good, but it would be great to see new faces in the crowd. Give it a try, come to the meeting, meet new people, and be a part of what we can do together! The educational seminars are going to be great, committee meetings informative and we are going to have a lot of fun. My last pitch, if you go places for the SWAG, the Summer Meeting will not disappoint, we have a bunch of awesome stuff to give away!

WE ARE LOOKING FOR GREAT AUCTION ITEMS LOG-A-LOAD AND THE PAC! Please contact Laura, laura@moforest, with any items that you would like to donate.

As promised...more information about the return of the Log A Load for Kids Golf Tournament that will be held at the MFPA Summer Meeting. The tournament will be held Saturday, July 27...at Pointe Royal in Branson. It will be a 4-man scramble, with a noon shotgun start. After conversations with the golf course staff, I regret to tell you we have had to raise the cost of the tournament. \$1000 gives you a four-man team, and access to the beverage/snack cart. Lunch will be provided following the educational sessions, before you golf. There will not be any longest drives or closest to the pin contests. In an effort to speed play a little, there will be NO mulligans. There will be a 2 putt rule. Prizes will be awarded during the evening dinner and auction. Collared shirts are required. No cut off shorts are allowed. Each player must have their own set of clubs. You must have a valid driver's license to drive a golf cart. Let me know if you are interested in breaking up your four-man team so you can play with others, or are willing to have people added to your team. We ARE offering a \$250 Hole Sponsorship opportunity. It's a great way to get your name out there. As always, all proceeds will go to the University of Missouri Children's Hospital as part of our Log A Load for Kid's donation. What are you waiting for? Get your team together and contact me. While you're at it...pick up a sponsorship for a hole. Let's make this a record year of giving. Let me know as soon as you can by calling the office; (573) 634-3252, or Mark@moforest.org.
